

INFORMATION ABOUT PRIVACY POLICY

INTRO

Dear Customer, in accordance with applicable privacy laws (EU Regulations n. 679, 2016) and General Provision of the Italian Privacy Guarantor of May 8, 2014 on cookies, we would like to take this opportunity to inform you that your personal information will be processed in an ethical and transparent manner, only for lawful purposes, and in a manner that safeguards your privacy and your rights.

Following, you can find the information on personal data processing: we encourage users and customers to read this Privacy Policy document before submitting any personal data and/or filling-in any electronic form by e-mail or on this website.

Teslatel srl reserves the right to change this Privacy Policy at any time by publishing a revised version on official website. The revised version will become effective at the time of its publication or sending.

DATA CONTROLLER

TESLATEL srl (legal address, Piazzale Biccamano 8, MILAN, Italy - IT Vat.n. 01978380507), is the Data Controller in accordance with EU Regulations n. 679, 2016 - GDPR.

1. PROCESSED PERSONAL DATA

Personal data means all data which may be linked to a specific and real person and which may be utilized to identify this person. **TESLATEL SRL** takes all precautions to fully comply with the requirements of the GDPR.

2. PERSONAL DATA PROCESSING

Personal data, in accordance with article 6, (b), of EU Regulations n. 679, 2016 – GDPR, will be stored and processed only insofar as this is necessary for the provision of services as requested. Data is used solely for the purpose of immediate service provision. At no time will this information be disclosed to unauthorized third parties. The Data Controller stores your Data in accordance with the legal obligations to preserve records.

The storage and processing of the personal data transmitted or disclosed to us, takes place only for the following purposes:

- processing, billing and controlling payment transactions;
- providing customer support, as requested;
- assuring the best service possible;
- for statistical evaluations as well as prevention of fraud and abuse.
- collecting data as part of a payment process to conduct business transactions (only transmitted to the extent necessary to the parties involved in the online purchase - the online merchant where the purchase was made, and the payment system operator whose payment system was used to make the payment).
- to ensure that downstream payment processing is performed by authorised payment system providers and our contracted business partners (typically banks and credit card or telecommunication companies) that are authorised to carry out the relevant payment process and have in place appropriately secured systems.
- to process distance selling payments and to facilitate the use of **TESLATEL srl** services.

The legal basis for processing is Article 6 (1b) GDPR.

3. DATA COLLECTION AND PROTECTION

The Data Controller processes information or personal data on its servers and protect them through physical, electronic and procedural measures, in accordance with applicable law. This helps prevent unauthorized access, maintains data accuracy and ensures that the information is used correctly.

TESLATEL srl will grant only those employees access to such information who require it to perform their work.

The Data Controller does not share personal data with any third party without your consent – unless it is obliged to do so by law or by court order, or if passing on Data is necessary in order to take legal action against fraudulent access to Internet structures.

TESLATEL srl does not pass on Data for any other reason, and will only collect, store and process information to be able to offer you better service, and individual information and communication. You are also entitled to be informed of the purpose of the Data storage; for information about the stored Data, simply contact us as following indicated.

4. COOKIES AND WEB ANALYTICS SERVICE

Cookies are text files containing small amounts of information which are sent to your browser and stored on your computer, mobile phone or other device when you visit a website. The cookies send information back to the originating website or another website that recognizes that cookie.

Cookies can be permanent (these are known as persistent cookies) where they remain on your computer until you delete them, or temporary (these are known as session cookies) where they last only until you close your browser. Cookies can also be first-party cookies which are those set by the website which is being visited, or third-party cookies which are set by a website other than the one being visited.

4.1 How does TESLATEL srl use cookies?

We use cookies for purposes such as improving the functionality of our websites, to understand site and Internet usage and to improve or customize the content, offerings or advertisements on our sites. For example, we may use cookies to personalize your experience at our sites (e.g., to recognize you by name when you return to a site), save your password in password-protected areas, and enable you to use shopping carts on our sites. We also may use cookies to help us offer you products, programs, or services that may be of interest to you and to deliver relevant advertising.

4.2 Cookies we use & what they are for
